2. Identify and explain what you used as an emphasis and how this is important to the story of your thankyou poster.

PRINCIPLES OF DESIGN - Emphasis   Name _____ per# _____

Emphasis is creating a focal point in a work of art. Emphasis is something in the drawing that is important, or a place in the image where you want the viewers' eyes to go. You need to make a poster for saying thank you to an essential worker. Draw a picture or design below. They are the most important part of this poster, how can you create emphasis? What is important to include to help tell the story.
