

ELEMENTS OF ART - SCAVENGER HUNT: LINE

Name _____ per# _____

Find different types of lines.

Using your phone or a digital camera, for each item on the list below, snap a photo. When you find the subject, shoot it in the most interesting way that you can. We call this a composition. Be sure to crop the frame as close to the subject as possible. Example. If you are shooting a parallel line that is on a bed spread, Don't take a picture of the whole room and expect me to know what you are showing me. Walk up to the bead spread and shoot the lines you want me to see.

Make a composition using each of the themes listed. 5 compositions.
Identify the composition appropriately.
Write a short description of what you shot and how it represents Line.

Thin line
Zigzag line
