Idea #	Description
	<b>VAPA Digital Media showcase, V7 Video - PSA, Entry Deadline: March 16, 2016</b>
1	<b>Too much cell phone use and not enough time communicating with family</b> <ul style="list-style-type: none"><li>• Thesis: “teenagers spend too much time on their phone when they should be more family oriented.”</li><li>• get films of family at the table eating dinner but teenager isn’t paying attention</li><li>• family discussing something important and teenager misses discussion</li><li>• family starts to look down on teenager for not paying attention to the right things.</li></ul>
2	<b>Gum at school = distractions</b> <ul style="list-style-type: none"><li>• thesis: “chewing gum during class can serve as a big distraction.”</li><li>• film two students in classroom, one student trying to focus on exam while student #2 is in background chewing gum loudly.</li></ul>
3	<b>adopt a pet, save an animal from the shelter</b> <ul style="list-style-type: none"><li>• thesis: “save an animal from being put down and adopt from your local animal shelter instead of buying from a puppy store that supports puppy mills.”</li><li>• film at animal shelter, get clips of animals in cages and clips of animals getting adopted</li><li>• send out message of a happy pet going home with a new owner</li></ul>
4	<b>Manage your stress before it manages you</b> <ul style="list-style-type: none"><li>• thesis: “learn to manage stress before it gets out of hand”</li><li>• film student trying to get everything done at one time</li><li>• clips of student trying to calm down</li></ul>
5	<b>Conserve energy</b> <ul style="list-style-type: none"><li>• thesis: “do the earth good and conserve energy”</li><li>• clips of teenager with multiple lights on in her room, TV on, with netflix on her computer, and she is charging her phone.</li><li>• she leaves her room to go get food and doesn’t turn everything off.</li><li>• Mother comes in and turns everything off for her</li></ul>
	<b>VAPA Digital Media Showcase, V1 Video- Documentary</b>
